nuvis ON AIR

ON AIR

Tech sheet for planners and venue coordinators

A podcast set with a host who interviews your guests. The couple receives an edited episode, short clips and a private podcast link.

Space
A 3 × 3 m corner away from the DJ speakers. Indoors or outdoors; covered plan B.

Power
One 230 V socket within 10 m.

Set-up
45 min before guests arrive. Pack-down: 30 min.

Team
Host + sound technician. We arrive and leave independently.

Timing
We follow the coordinator's schedule and pause during speeches and the first dance.

Languages
Catalan, Spanish and English.

Privacy
Information sign at the set; recording is optional; nothing is published without consent.

Insurance
Our own public liability insurance.

Formats for couples (public prices, VAT included)

Short Wave	2 h	€990
Medium Wave	4 h	€1,690
Long Wave	Up to 6 h	€2,690

For planners: 10% commission or a net price 10% below the public rate. Your choice.
